

**Holgate Falls.**

We will soon have the pleasure of living in an incorporated village.

Phillip Flares has his new building on railroad avenue completed, and has finished off his store-room in first class shape, and is putting in a complete stock of groceries and provisions.

Miss Allie Shoup, of Colton, who has been visiting friends in this village during the past week, returned home Monday.

The Holgate public schools have closed for a few weeks vacation.

The Principal Mr. J. U. Barnhill, and wife are visiting relatives near Wooster.

Mr. Barnhill will start for Cleveland in a few weeks, where he will attend the Cleveland Medical College.

Mr. and Mrs. Dore, of Walkerton Ind., are the guests of G. W. Edwards and family.

We understand that Mr. Dore intends to permanently locate in Holgate.

Meine's band of Napoleon, paraded our streets Thursday evening discoursing some very fine music. Later in the evening the boys honored several of our citizens with a serenade.

Miss Emma McGiffin, of Colton, who has been teaching the French school this summer, returned home Monday.

Edward Hough, formerly operator on the T. D. & B. R. R. office at this place, has accepted a situation as operator in the General ticket office in Toledo.

The Centennial Flouring Mills have been thoroughly repaired and are now running full blast. The proprietor Mr. P. H. Hough, well known Toledo miller, has expended considerable money in repairing the mill and says that he now has everything in first class shape, and is prepared to do as good work as any one in the country. Farmers living in this vicinity will do well to give Mr. Hough a call when wanting any work done, as they can rest assured that they will get it executed in the best possible manner.

We understand that Dr. Stees will seek a more healthful climate. Success to your doctor.

A number of Pleasant Bend bums tried to raise a row in town Saturday, but were soon cooled off by a few of the Holgate boys.

Pleasant Benders "look ouse" or you will "shin" up the wrong tree some time.

"Lindsey's Blood Scurfer" - the great medicine for fever and ague, malaria, and all blood poison. Don't fail to use it.

**KALAMAZOO, Mich., Feb. 2, 1880.**

I know Hop Bitters will bear recommendation honestly. All who use them confer upon them the highest encomiums, and give them the credit for making cures - all the proprietors claim for them. I have kept them since they were first offered to the public. They took high rank from the first, and maintained it, and are more called for than all others combined. So long as they keep up their high reputation for purity and usefulness, I shall continue to recommend them - something I have never before done with any other patent medicine. J. J. BABCOCK, M. D.
